

Passive Ventilation

BPIR Declaration

Version: 1

Designated building product: Class 1

Declaration

Simx has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product/system

Name	Passive Ventilation
Identifier	DCT0102

Description

The Aria kit is designed to ensure a very comfortable distribution of incoming air through the wall.

The airflow is controlled by an adjustable front cover, by varying its angle from a bottom hinge point.

Other products this is used in
