

MANHATTAN Ceiling Fans

MANHATTAN fully enclosed ceiling fans, complete with a 360° LED light diffuser, deliver a unique stylish design with a safe, clean and compact look. The quality rotating louvre creates widespread variable air circulation. An extra safe enclosed blade design makes this fan ideal for bedrooms and living areas. The 22W natural LED light is dimmable and can be operated with the 3 speed remote. Fans are 220-240V AC, 50Hz operated. 3 year warranty.
