

Edge DC

PREMIUM WALL FAN

DC Continuous Extraction

Allows Continuous Extract with Manual Switch to Boost

A fresh air solution for quiet, continuous air circulation. Energy efficient exhaust featuring 24/7 continuous, timed, or standard settings allowing for enhanced air quality and a healthier home.

- Energy-efficient DC motor for quiet operation
- Selectable 24/7 continuous trickle ventilation, 10 minute run on timer, or standard on/off operation
- Continuous setting for well-sealed new homes
- EDGE150 model designed for NZBC G4 AS1
- Maintains fresh, healthy air circulation

EDGEDC150

Designed for G4 bathrooms, operating at 24/7 continuous and/or intermittent boost rates when mounted in a through-wall application.

EDGEDC100

SELECTABLE SWITCH

-
- Standard**
Simply turn on or off as required.
 - 24/7 Continuous Trickle Extraction**
Creates a healthier living environment by encouraging constant air change.
 - 10 Minute Run On Timer**
Continues to operate for 10 minutes after switching off.

Ultra-efficient 3 in 1 featuring 24/7 continuous or timed mould reduction technology for a healthier home.
